ly. Slip next 28 sts on stitch holder to be worked later for back of neck and work remaining 30 sts same as first shoulder.

**NOTE:** It is very necessary to bind off loosely because if seams are bound off too tight there will be no stretch and your garment will have a tendency to rip.

**FRONT:** The front is worked same as back up to the neck line. Bind off 30 sts for shoulder, leave

28 stitches on needle for front of neck and bind off 30 sts.

Sew shoulder seams carefully from wrong side; with large needles pick up 12 sts over left shoulder and slip these onto needle holding the 28 sts for front of neck, knit 1, purl 1 across these sts and repeat ribbing for 1 inch; bind off loosely.

Pick up 12 sts across right shoulder and slip the 28 sts from holder and work in same way. Sew side seams of neck band carefully.

**SLEEVES:** With No. 2 needles cast on 72 sts, knit 1, purl 1 across row and repeat ribbing for  $1\frac{1}{2}$  inches. Change to larger needles and stockinette, increase 1 st each side every 6th row 3 times, then knit even for 3 inches. Bind off 5 sts each side for underarm, then bind off 2 sts each side every other row until 14 st remain. Bind off.

Sew sleeves to armholes with center top of sleeve to center top of armhole. Sew sleeve and underarm seams as one continuous seam.

WHEN YOU BUY YARN FOR ANY GARMENT BE SURE TO PURCHASE THE COMPLETE QUANTITY OF EACH COLOR NEEDED TO FINISH THE WORK. IT MAY BE IMPOSSIBLE AT A FUTURE TIME TO MATCH EXACTLY THE COLOR USED IN GARMENT AS VARIOUS DYE LOTS DIFFER IN SHADE

## Careful Washing Necessary for Angora Articles

Hand crocheted and knitted articles will always be soft and beautiful and give satisfactory service if you wash carefully.

Lay garment on paper and cut or draw outline to show size.

Use neutral soap flakes dissolved in warm (not hot) water. Make generous suds.

Don't rub. Cup garment in your hands and squeeze suds through. Two sudsings are better than one.

Rinse in 3 lukewarm waters of the same temperature as your suds. Squeeze out as much water as possible without twisting or wringing.

Lay garment on your paper pattern and pull it gently back to size.

Dry it flat, away from heat.
