Author's Note

Hi, I'm Ruby—vintage pattern curator, fiber artist, and lifelong lover of all things handmade.

This collection is more than just a digital archive. Each pattern has been lovingly restored using high-resolution scanning and vintage photo techniques, carefully edited for clarity and readability. My mission is to make these historical treasures accessible to today's designers, crocheters, and slow-fashion creatives—because the elegance of the past still belongs in our future.

I believe in fashion that tells a story. These patterns are stitched with history, culture, and style. Now it's your turn to write the next chapter one stitch, one row, one heirloom at a time.

Thank you for allowing me to be part of your creative journey.
